“Is there a doctor in the house?”

If you are in the medical field and interested in working with a group of parishioners in the medical field to offer some basic medical services to St. Francis Parish members, call Fr. Mike. A meeting of interested individuals will be held this summer to pool some ideas about serving the medical needs of St. Francis parishioners. Thank you for offering your valuable services and knowledge for the needs of others!

Young Adult Cookout

Tuesday night – July 19th

Anyone in their 20’s or 30’s is invited to a cookout on **Tuesday night, July 19th**, to meet other young adults in the parish and talk with Fr. Mike about what St. Francis Parish can do specifically for young adult Catholics.

Many young adults say that they are the most neglected age group in the Catholic Church. This cookout is a chance to offer something for the many good young adults who make St. Francis their home. Call the Parish Office if you plan to attend so that enough food can be prepared, and pray for the ideas and possibilities that could come out of this first-of-a-kind meeting.

Bereavement Ministry

Members of our parish have expressed a need for ministry that would journey with and comfort the bereaved as they grieve the lost of a loved one. In an effort to meet the needs of our parishioners, we would like to form a ministry consisting of prayers, reflection and sharing that will give comfort and journey with those who are grieving. In order to staff this worthy ministry, ministers and facilitators will have to be formed. If you feel the calling for this type of ministering please register in the back of church or contact Deacon Troy or Mariano Aviles, Coordinator of Hispanic Ministry.
